

Participant Pre-Workshop Checklist

Habitat Connections: Exploring Your Local Environment through Birds and Citizen Science

Wednesday, June 15, 2016

9:00 am – 4:00 pm

Held at Kisatchie National Forest's Alexandria Forestry Complex

- Outdoor activities are included; please come prepared to be outside on a Louisiana early summer day!
- Dress casually with comfortable clothes and shoes.
- Bring binoculars if you have them.
- Consider bringing your own water bottle.
- Lunch is provided.
- Bring a smart phone and **Pre-download:**
 - the free Merlin ID app (it's a large download, so do it over wifi).
 - the free eBird app.
- Bring a laptop or pad device.
- You will receive a pre-workshop evaluation survey as this is an NSF grant funded workshop. Please fill it out and return as soon as possible.
